

TURNING POINTS DOG RANCH DAYCARE / BOARDING AGREEMENT & LIABILITY RELEASE

Here at Turning Points Dog Ranch we want ALL dogs who are staying with us to be healthy and feel a sense of safety. In order for your dog's stay to be free from worry, we do require all dogs to be up to date with their vaccines, be neutered/spayed up to six months of age and will be required to have a trial visit to determine whether Turning Points Dog Ranch is the right fit for them.

Please pay special attention to the health of your dog(s) before attending Turning Points Dog Ranch and be sure that your dog is free from any signs of the following:

- * kennel cough (any signs of coughing please see your veterinarian before coming onto TPDR grounds)
- *Fleas, lice, ticks or any signs of external parasites (Turning Points Dog Ranch suggests following an external parasite program during warmer weather)
- *Diarrhea or digestive upsets. Internal parasites of any kind (please see veterinarian). Fecal exam required every three months.

I agree that by admitting my dog(s) to Turning Points Dog Ranch (referred to as TPDR), that the officers and staff have relied on my accurate representation that my dog(s) have never exhibited the following behavior or any aggressive or threatening behavior toward any dog or person, or have had any prior behavior that indicates he or she may have the ability and or tendency to jump over or dig under any fences, or open any gates or fences. TPDR also relies on the representation that my dog(s) is/ are in good health or that I have discussed any known health problems or concerns with the staff at TPDR. I hereby declare that my dog(s) are in good health, spayed or neutered, and have had a fecal exam within three months of his/her stay at TPDR. I am the terms of this agreement and the truthfulness and accuracy of all statements I have made in it. I authorize this signed contract to be valid for future service without having to sign additional contracts for subsequent stays at Turning Points Dog Ranch for my dog(s). By signing my name, and dating this document, I acknowledge that I have read this agreement in its entirety, and agree to the terms within.

In consideration of all services provided by Turning Points Dog Ranch, I waive any and all claims, actions or demands of any nature foreseen or unforeseen, that I may have against Turning Points Dog Ranch related to the safety of my dog during his/her stay at TPDR. All dogs are cared for by TPDR, its owners, staff or volunteers without liability on their part for loss, illness, injury to persons, other dogs or any other unforeseen circumstances etc.

If an emergency should arise, TPDR will do their best to contact me, but in the event that they cannot reach me, I authorize Turning Points Dog Ranch to transport them to a vet of their choice, and to authorize any medical treatment recommended by a veterinarian. I agree to reimburse TPDR for all expenses incurred due to said event. I accept responsibility for any

injuries caused by my dog(s) (as judged by TPDR staff) and any medical or veterinary bills that may result from said incident.

I recognize the many important benefits of dog socialization and I am prepared to have my dog in a social environment while in the care of TPDR. I understand that along with all of those benefits, there are also risks involved. These risks may include cuts or scrapes, which are commonplace due to the nature of dog play. More serious injuries cannot be predicted, and Turning Points Dog Ranch has done their best to limit and avoid such injuries. I am aware that my small dog(s), if I have one, will likely be mixed with larger dogs, and vice versa. I am also aware that daycare dogs and boarding dogs are allowed to play together in both the indoor and outdoor areas at TPDR. I agree to, and am aware of, the fact that he/she will be sleeping in the same kennel-free barn with other dogs and may not be directly supervised at all times. If a request is made to have my dog sleep in a crate, this request must be agreed to and acknowledged by TPDR and staff and if possible, then arrangements will be made. I understand and accept the risks of the communal, kennel free boarding or daycare environment. I understand that given the unpredictable nature of dogs, an interaction could occur involving my dog which may result in injury to my dog(s), other dogs, people or to the property of TPDR.

I, the client, will be responsible for any and all medical costs if my dog(s) catches a communicable disease (including fleas) that may be a result of such arrangement. TPDR takes the health and safety of my dog(s) very seriously and employs the utmost care and safety precautions while caring for my dog(s) during their time at TPDR. I understand that TPDR has the right to refuse service to me and/or my dog(s) at any time and for any reason and that TPDR may need to seek alternate boarding arrangements for my dog(s) if they feel that it is necessary.

I have read and understand the terms set forth above. I agree to abide by all the terms and conditions of this boarding /daycare agreement and release of liability.
